Route 66 Bible Study **Beginning Tuesday, September 15**

Glen Miles will lead his Route 66 Bible Study (focusing on the book of Exodus) as a simple service of worship with musical offerings by Janelle Rogers. This will be offered online at [FCchurch.tv](https://www.fcchurch.tv), our mobile app, or on [Facebook](#) and also in-person in Grace Hall at North.

Registration is required for those attending in-person, and information regarding safety protocols can be found at the [registration link](#).

Midweek Missions – Session 1 **September 16 to October 7**

Midweek Missions will be offered virtually this fall. MWM will be offered as two 4-week units where participants will pick up packets with the materials for all the projects in the unit ahead of time.

The first unit will be all about Community and will run from September 16 to October 7.

Midweek Missions – Session 2 **October 28 to November 18**

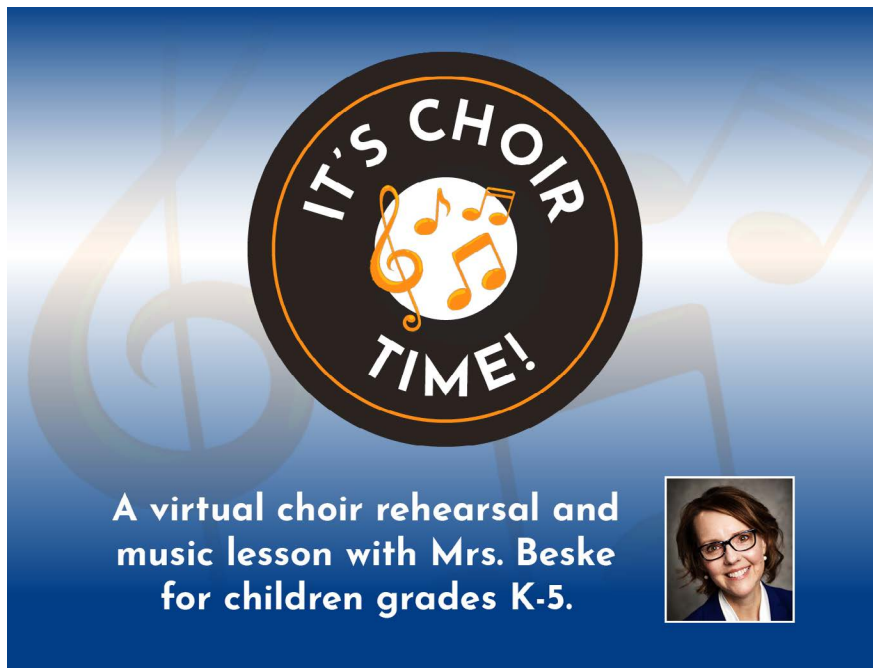

In the second Midweek Missions unit, we will put together our annual Thanksgiving Baskets for Gladden Community House families. This unit will go from October 28 to November 18.

On Wednesdays at 4:30 pm, the Midweek Missions video lesson for that week's project will be shared on the main [First Community Facebook page](#).

Most weeks, children can watch the video and do the project when it is convenient for them. One Wednesday during the 4-week unit, Julie Richards will meet via Zoom for 30 minutes with the kids from specific grade levels to check in and do a project together.

We ask families to register every year to ensure we have the most updated information for your child. [Registration](#) allows us to prepare materials, have your emergency contact information, and be aware of any medical issues your child might have. Registration also ensures we can keep you informed about changes in our programming and about upcoming special events.

Midweek Missions projects are not supported by the church operating budget. Our main source of income typically comes from doughnut and pizza sales, which we are currently unable to do. Please consider making a donation when you register so our costs can be covered.

It's Choir Time!

Returning Wednesday, September 16

Find Sally Beske at a new online location – the First Community [K-5 Ministry Facebook page](#) at 4 pm on Wednesdays.

These 15-20 minute virtual choir rehearsals and music lessons will be presented in two 4-week units that follow the same scheduled as Midweek Missions. The first unit will run September 16 – October 7.
